THE SIMPLE LIFE

Southern Indiana Fall Conference

“What is at the heart of a meaningful life with God?” This age-old question was at the root of the Southern Indiana Fall Conference’s general theme **“The Simple Life.”**

God worked powerfully through Mark as he spoke to the students. Within the framework of Jesus’ greatest commandment and great commission, students were challenged to deeply experience and respond to God’s love by:

- 1) **Loving God,**
- 2) **Loving Other People,** and
- 3) **Making Disciples.**

One of the weekend highlights was a conversation with N.D., a student who recently preached his first sermon (in a church). He told Mark, “You don’t know how encouraging you’ve been to me...I’m so grateful that you have taken time to ‘walk with me’ and invest in me.”

Mark has maintained contact with this student since time at Cedar Campus in the spring. This young man has great skill, a tender heart and is a key leader at his campus IV chapter. This fall he had four guys (both Christian and non-) approach him for mentoring

saying, **“You have changed over this summer. I want to learn more about that ‘faith’ that you have...”** N.D. has also begun a GIG (group investigating God) with his roommate.

God is doing great things through this young man!

5. Please pray for **Mark as he mentors** younger IV staff and key student leaders to develop their evangelistic gifts.

ROSE-HULMAN Campus Mission

30-Hour Famine for World Vision

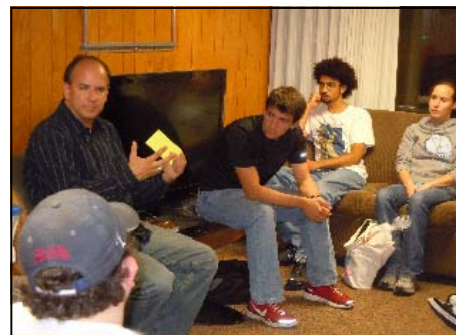

With a good mix of Christians and non-Christians all **three (3) Question Mark** events went very well. The students’ spiritual questions were authentic and probing.

Mark spoke at the **Large Group** meeting which also had a good turnout resulting in several students interested in talking further with someone about spiritual questions, joining an investigative Bible discussion (Group Investigating God), a regular weekly Bible study, or serving the poor locally. **A lot of follow-up will be done!**

Following one of the Question Mark events at Rose-Hulman, a freshman guy drew Mark aside to share his personal story. **Throughout high school, this young man had been tormented by many inner struggles and temptations.** God has met him in some very profound ways allowing this young man to experience God's love and grace deep within his soul!

To document his experience and to hopefully be an encouragement to other students, he wrote a novel based loosely on his own life journey. **Pray that this young man continues to grow in Christ and impacts others along the way!**

The central theme of the week-long campus mission outreach was a “**30-Hour Famine.**” The IV students fasted for 30 hours to identify with the poor and raise money for hunger relief. **They raised over \$5000 for World Vision hunger relief.** A local TV station did a brief story on it and interviewed a student.
