

Purdue Greek IV

INTERVARSITY CHRISTIAN FELLOWSHIP/USA

The Purdue IV Greeks have been studying "Taking Steps Toward Jesus" in preparation for Greek IV's Invitation Week.

- Student leaders learned how to share their testimonies and transformation stories.
- As they practiced on each other it was a week of joy hearing all the ways that God is pouring out His love.
- Students were challenged to have a spiritual conversation with at least one friend that week.

Celebration Night!

We had two Purdue Greeks put their faith in Christ tonight...and 20-30 let go of something in their lives!

Three (3) people from the Question Marks were at Greek IV for the first time tonight...and an agnostic student signed up for Greek Conference and wants to meet soon.

Question Mark Outreaches at:

- Phi Kappa Psi ($\Phi\text{K}\Psi$)
- Alpha Xi Delta ($\text{A}\Xi\Delta$)

- Ten (10!) different houses attended the Question Mark events to ask their tough questions about faith, God, and spirituality.

- Eleven of the students had never attended an IV event before...it was great for them to get connected and realize that Greek IV isn't some crazy Christian cult—that it is a place where you can be real and ask real questions and hear real stories about who God is and what it means to follow Him.

- Praise God for stirring the hearts of IV Greeks as they desire to live a new way of life based on His love and grace.
